Treasurer's Report: Cecelia is our new commissioner and has taken over the job of Treasurer. (Thank you). We have \$4332.75 in our Checking account and \$167.32 on hand. Note we have not paid for the volunteer dinner!

Secretary's Report: We received the Booster and a brochure from Rowan & Littlefield. The brochure had books on Immigrations, Ethnic Foods, Military and Afro-American History.

In order to count our volunteer hours, we would like all of you to sign in on the yellow sheet, when you are here in addition to Monday. We could get a more accurate count of our working hours.

Tech Plan: Diana reported an adapter for the projector was purchased. We need a tripod to hold camera in place and a photo box. Motion made by Hilde seconded by Warren to do research for tripod and photo box as to cost. (Motion carried all yeas) Diana will check into that. Warren is transforming oral interviews into digital form.

Evaluation of volunteer dinner organized by Bonnie, everyone liked the food and venue. The games and gifts were an added treat. Letter will go to Mirage thanking them for the set-up.

Tea Party is scheduled for April 23, 2016. The Tea Party Committee members are Bonnie, Cecelia, Mila and Hilde Kilian. The groups will check into prices. So far no tea parties scheduled from St. Bea's and St. Maria's. June will call Peggy to do party favors. Letter will go to Mayor and Trustees as well as Claudia for the use of the Community Center Friday for set-up and Saturday for the affair. Bonnie will look into the entertainment.

May 21, is the Wall of Honor presentation, we have 7 veterans. Committee members will help June interview veterans.

June has deposited a "suitcase" of documents that need to be examined.

The "executive" desk that was in the library from 1960 until 1996 was discussed. Ed Trazska received the desk from Ted Ohlmond. Ed donated the desk to the Library. The Library no longer needed the executive size desk and gave it to the Historical Society. We are searching for a connection to Schiller Park?!?

The library will look into the village "Loaves & Fishes" program and get back to us. Also the library will send information to Dan Melone regarding maps.

Motion made to adjourn the meeting at 11:50 AM by June seconded by Cecilia.

No village representative present. Minutes sent to Brian Bursiek and Clerk's Office.

Visitor: Mike Bloome
