## Preschool Programs

Our quality preschool program provides children with a small group experience. Our staff guide and teach the preschoolers in a nurturing environment. Ms. Bernie is educated with a degree in Early Childhood Education, accompanied by years of experience. Each child attending our preschool program will have the opportunity to develop a positive self image while practicing their social, emotional, motor and educational skills. Each day children will take part in planned activities that are developmentally age appropriate. Children will also be encouraged to initiate their own learning experiences through our educational centers and open-ended play. Registering your child in our program will offer all the areas of development needed for your child to grow and expand their mind.

The preschool fee may be paid in full or you may choose the payment option. The payment option will enable parents to spread the fee over eight months. The first payment is due at time of registration and is non-refundable.

Registration is on-going for the preschool programs at the Recreation Center.

Preschool Classes are held at the Activity Center located at 9630 Irving Park Road.
