# Preschool Programs

## Preschool Programs

Our quality preschool program provides children with a small group experience. Our staff guide and teach the preschoolers in a nurturing environment. Ms. Bernie is educated with a degree in Early Childhood Education, accompanied by years of experience. Each child attending our preschool program will have the opportunity to develop a positive self image while practicing their social, emotional, motor and educational skills. Each day children will take part in planned activities that are developmentally age appropriate. Children will also be encouraged to initiate their own learning experiences through our educational centers and open-ended play. Registering your child in our program will offer all the areas of development needed for your child to grow and expand their mind.

The preschool fee may be paid in full or you may choose the payment option. The payment option will enable parents to spread the fee over eight months. The first payment is due at time of registration and is non-refundable.

Register for the preschool programs at the Recreation Center.

Preschool Classes are held at the Activity Center located at 9630 Irving Park Road.

## **Horseshoe Casino/ Footloose The Musical Thursday, July 23, 2009**

**\$61 per person**

**Depart: 6:15 a.m. - Return: 5:45 p.m.**

One of the most explosive movie musicals in recent memory now bursts onto the live stage. When Ren and his mother move from Chicago to a small farming town, Ren is prepared for the inevitable adjustment period at his new high school. What he isn't prepared for are the rigorous local laws, including a ban on dancing. The ban is the brainchild of a preacher determined to exercise the control over the town youth that he cannot command in his own home. When the reverend's rebellious daughter sets her cap for Ren, her roughneck boyfriend tries to sabotage Ren's reputation, with many of the locals eager to believe the worst about the new kid. To the rockin' rhythm of its Oscar-nominated score FOOTLOOSE celebrates the wisdom of listening to young people, guiding them with a warm heart and an open mind. "One of the most extraordinary musicals ever to come out to Hollywood". Footloose blends fantastical situations with important issues and balances them perfectly." L.A. Weekly

We'll start the day at Horseshoe where you can experience fun casino action and a lunch buffet.
