Name That Dog Park

Name That Dog Park!

The Village is excited to announce that construction of a dog park, next to the Metra Station, will be complete this summer. Residents will enjoy the opportunity to exercise your dogs “off leash” in a fenced area where they are able to socialize with other dogs. After receiving many requests, the Village has designated a small open area along Ruby Street as the ideal location. Striving to increase the acres of park land, the Village is seizing the opportunity to provide additional open space designed to enhance the leisure experiences for residents.

We need your input. The Recreation Department is hosting a contest to help determine the name of the new dog park. This contest is open to children ages 17 and under who reside in Schiller Park. Please use the attached form and submit your entry today. If your entry is selected as the chosen name for the new dog park, you will receive one free individual season pass to the Anna Montana Water Park!

Schiller Park Preschool

Preschool Programs

Our quality preschool program provides children with a small group experience. Our staff guide and teach the preschoolers in a nurturing environment. Ms. Bernie is educated with a degree in Early Childhood Education, accompanied by years of experience. Each child attending our preschool program will have the opportunity to develop a positive self image while practicing their social, emotional, motor and educational skills. Each day children will take part in planned activities that are developmentally age appropriate. Children will also be encouraged to initiate their own learning experiences through our educational centers and open-ended play. Registering your child in our program will offer all the areas of development needed for your child to grow and expand their mind.

The preschool fee may be paid in full or you may choose the payment option. The payment option will enable parents to spread the fee over eight months. The first payment is due at time of registration and is non-refundable.
