Our Mission and Values

Mission Statement

The mission of the Schiller Park Police Department is to perform to the highest standards of ethical conduct while working in cooperation with the community to prevent crime and the fear of crime; to enhance public safety; and to improve the quality of life for the diverse community we serve.

Core Values

SERVICE - We continuously strive to improve the quality of life for our citizens by seeking out innovative methods to deliver police services as expediently and efficiently as possible, and with individualized attention.

PROFESSIONALISM - We are committed to serving the community with honor and integrity at all times, delivering police services with the highest ethical standards and with the highest standards of proficiency in all that we do.

PARTNERSHIP - We seek to strengthen relationships and build trust with those we serve in order to identify community problems and develop mutual solutions to improve the quality of life in the community we serve.

DEDICATION - We pledge to serve the community, upholding the dignity of the law enforcement profession by remaining at the forefront of best police practices and devoting ourselves to training, education, and fidelity.

Message from the Chief of Police

February 28, 2018

Nationally, we are experiencing very tumultuous, challenging times. Unfortunately, the Police as a profession, must deal with these emergent threats to Officer safety. I would be remiss if I did not acknowledge in 2017, the **one hundred twenty-eight** Officers killed Nationally in the line of duty. Of those: 44 were shot to death; 7 were beaten to death; and 1 was stabbed to death. Faced with these adversative environments, Schiller Park Police Officers will remain resolute in providing the best police services to our Community. We do so with honor, dignity, and dedication.

Officers responded every day with the utmost professionalism and took the necessary risks to complete our mission of helping keep our neighborhood safe and secure.

We strive to maintain a culture of Community Policing; whereas, working with those we serve is instrumental to the safety and security of Schiller Park. Every single member of the Department takes seriously their duty to provide our Village with professional, effective, and responsive police services.

Due to the extreme commitment of our Officers, the constant backing by the Mayor and the Board of Trustees, along with the consistent support from our Community, we will overcome the challenges that face us in the future.

On behalf of the fine men and women serving the Schiller Park Police Department, I am proud to present their 2017 Annual Report. This report is a reflection of their efforts. I thank all the sworn members and civilian employees for their hard work. Schiller Park is a safe place to live, work, and raise a family and you, in large part, are the reason.

Serving with honor,

Chief Thomas Fragakis

Personnel Changes

Lieutenant Joseph DeSimone (above/right) was appointed to and sworn in as Deputy Chief of Police on November 2, 2017.

New Officer Joe Lukowski (above/right) was sworn in on May 18, 2017.

New Officer Drew Gresik (above/right) was sworn in on August 3, 2017.

New Officer Raul Arevalo (above/middle) was sworn in on March 28, 2017.

Personnel Changes

15 year veteran Officer Michael Marrazzo, returned to the department after a brief sabbatical and was sworn in on March 28, 2017.

New Officer Connor Emmett (above/middle) was sworn in on December 7, 2017.

We welcome all of our new Police Officers! Best wishes for a safe and rewarding career with the Schiller Park Police Department!

Personnel Changes

In September, 2017, the Schiller Park Police Department, along with retired members and friends, celebrated the retirement of Assistant Commander Tom Henn (pictured front row, 4th from left), who gave 30 years of dedicated service. Tom will be greatly missed by all!

Awards and Recognition

The Schiller Park Police Department would like to congratulate Detective Roger Orozco on his graduation in March, 2017 from the D.A.R.E. program. The intensive two-week program helps prepare successful graduates to deliver D.A.R.E. curricula for elementary and middle school programs, parent and community programs, as well as several enhancement lessons.

Community Recognition

Throughout 2017, the Schiller Park Police Department and its members received many letters of appreciation from the community. Below are just some of the quotes from those letters:

- ◆ “On behalf of the Alliance Against Intoxicated Motorists, it is our great pleasure to acknowledge the exceptional DUI enforcement of Officers (**Jeremy Chernikovich, Tom Reif, Oliver Roberts, Vince Cavalieri, and Patrick Flynn**), by awarding (them) a Certificate of Appreciation in recognition of these life-saving efforts.
- ◆ “Through the tireless efforts of **Detective (Kevin) Ramirez**, one perpetrator has been caught...We certainly appreciate (his) efforts and his never-quit attitude.”
- ◆ As members of the Northern Illinois Police Alarm System’s (NIPAS) Emergency Services Team (EST) and Mobile Field Force (MFF), **Sergeants Jim Scheib and Mark DiCosola**, as well as **Officer Nick Brzezinski**, received numerous letters of thanks for their help in various emergency operations from the following Police Departments: Rosemont, Roselle, Lincolnshire, Schaumburg, and Hanover Park.
- ◆ Dear **Chief (Tom) Fragakis**... “We admire and value your department’s ongoing commitment to the pursuit of justice and public safety.”
- ◆ “You will be pleased to hear that (**Detective Roger Orozco**) upheld the tradition of excellence expected by your department.”
- ◆ “I just wanted to commend (**Officer Victor Escontrias**), he was very pleasant to talk to...This officer needs to be acknowledged for being a great officer who is not only caring but very good at what he does.”
- ◆ “**Officer (Tom) Reif** went above what was needed... (we) wanted to thank the **Schiller Park Police Department** for all their hard work and especially **Officer Reif** for all his dedication.”
- ◆ Sent from the Leyden Township Needy Fund to the **Schiller Park Fraternal Order of Police Lodge #170**: “Thank you for your extremely generous donation... Thanks to your support, we were able to provide a holiday meal, clothes, and toys for those in need in our community.”
- ◆ Sent from the Schiller Park Firefighters Association to the **Schiller Park Fraternal Order of Police Lodge #170**: “Because of your donation, our organization will be better capable of serving its ultimate purpose of enhancing and bettering the lives of those around us.”

Patrol Division

The Patrol Division is the backbone of the Schiller Park Police Department. They are the department's most visible unit, as well as the first line of defense in preventing crime and providing protection. The Patrol Division consists of 20 highly trained officers who are supervised by 4 Sergeants. The Patrol Division provides many police services that include responding to and investigating the following:

- ☆ 9-1-1 calls for service;
- ☆ Traffic crashes;
- ☆ Day-to-day complaints;
- ☆ Traffic enforcement;
- ☆ Preventative/deterrent patrol;
- ☆ Preliminary criminal investigations.

In 2017, the Patrol Division responded to 15,261 calls for service. They made 100 DUI arrests, conducted 4,295 traffic stops, investigated 855 traffic crashes, and issued 3,036 traffic citations. The Patrol Division continues to work diligently every day in order to improve the quality of life in our community for all residents and visitors.

Community Policing

One of the many positive changes we made in recent years was the implementation and/or revampment of many programs. The cornerstone of many of those programs is the Community Policing Initiative. Community Policing is a proactive strategy that encourages Police Officers to form partnerships with residents to reduce crime and improve quality of life. The entire Schiller Park Police Department believes strongly in the Community Policing Philosophy and is excited to apply its principles. The following is a synopsis of the programs that support the Community Policing Initiative:

- **D.A.R.E. Program** - Drug Abuse Resistance Education is a program that the Schiller Park Police Department is proud to support. The program promotes discussions between the police and school children. The curriculum has been revised to not only teach kids how to resist drugs, but also includes sections on bullying and communicating effectively, which will help students learn to **define, assess, respond, and evaluate** their choices.
- **Safe School Initiative** - This program is designed to improve safety around schools, protect children and increase the police presence and enforcement of traffic laws in school zones.
- **Neighborhood Watch** - This program encourages residents to call 911 to report suspicious/criminal activity in their neighborhood. For this program, we have adopted the phrase, “If you see something...say something.” Neighborhood Watch is such an effective crime prevention program and we welcome the extra eyes and ears it provides the Police Department.

Schiller Park Police
Neighborhood Watch
If you See Something...Say Something

Community Policing

- **Bike Patrol** - During the summer months, Bike Patrol is activated. The bikes provide an additional tool to patrol the neighborhood. They give an officer unique abilities to see and stop crime in ways that are often more difficult in a squad car.
- **Citizen Assisted Radar Enforcement (C.A.R.E.)** - The program is designed to reduce speeds on residential streets and increase citizen awareness regarding traffic safety and speeding.
- **Facebook Page/Twitter** - The Schiller Park Police Department now uses Facebook and Twitter as a medium that was created to provide community news, events, crime prevention tips, and traffic updates. It also helps engage residents to interact with the police department through social media.
- **Crime Prevention Notices** - This program allows police personnel to document observed vulnerabilities on a crime prevention notice that is left for residents to review.

Community Policing

Crime Free Housing Program

In late 2015, the Village of Schiller Park took steps to initiate the all new Crime Free Housing Program which was later adopted under Ordinance No. 16-3035.

- **What is the Crime Free Housing Program?**- The Crime Free Rental Housing Program is a crime prevention program designed to reduce crime, drugs, and gangs on rental properties. This program was successfully developed at the Mesa Arizona Police Department and has spread to approximately 2,000 cities in 48 U.S. States.
- **How it works?**- The Crime Free Rental Housing Program is a unique, three phase certification program for rental properties of all sizes, including single family rental homes. The first phase is the completion of a seminar taught by police personnel. The second phase is an inspection of the property. Upon successful completion of the inspection, the third phase is a police social with the tenants and management. This police-sponsored program is designed to be easily implemented, and extremely effective at reducing criminal activity in rental properties.

Other Community Policing Activities

St. Baldrick's Day

Schiller Park Police Officers participated in the St. Baldrick's Day cancer charity event in March, 2017. Pictured to the left is Assistant Commander Tom Henn with one of Schiller Park's biggest heroes, Cy Petrosino.

Dr. Seuss Night

On March 2, 2017, Assistant Commander Tom Henn and Detective Frank DeSimone were guest readers for Dr. Seuss Night at Kennedy School. They helped the children celebrate the birthday of Dr. Seuss and were aided by students Cy Petrosino and Kailee Gaffney.

Other Community Policing Activities

Since officially becoming the new Schiller Park Police Department's D.A.R.E. Officer in May of 2017, Detective Roger Orozco has been busy interacting with our community's youth.

D.A.R.E. Graduation at St. Maria Goretti School

St. Maria Goretti School Walkathon

Teaching D.A.R.E. to Students

Holiday Gathering at Kennedy School

Halloween Howl at Lincoln School

Washington School Family Picnic

Other Community Policing Activities

Cop on Top

On May 19, 2017, the Schiller Park Police Department raised \$1,000 for the Special Olympics by participating in the "Cop on Top" program. The event took place at the Dunkin Donuts located inside the BP Gas Station on Mannheim. We would like to commend the officers for a job well done!

Other Community Policing Activities

National Night Out

On August 1, 2017, Chief Thomas Fragakis and the Schiller Park Police Department held their annual National Night Out, a night for residents to stand united to promote community safety and neighborhood unity. The event took place at the Anna Montana Water Park/Memorial Pool. This crime and drug prevention event was co-sponsored locally by Mayor Nick Caiafa and the Village Board. The Fire Department, Recreation Department, and Public Works Department all pitched in to help make the night enjoyable. There were games, food, swimming, and most importantly, the opportunity for positive police-community interaction.

Other Community Policing Activities

Seniors Luncheon

On November 17, 2017, members of the Police Department attended the seniors luncheon hosted by Mayor Nick Caiafa and the Village Board. During the luncheon, Officer Kevin Demos (pictured left) addressed the audience and provided information on how to avoid the most common scams, especially those targeting seniors.

Other Community Policing Activities

Supporting Men's Health

This November, Several Schiller Park Police Officers grew beards and raised \$1,125 in support of the “Movember Foundation,” a Global charity that raises awareness of and supports men's health issues. It's a testament to the good character of our officers to go above and beyond for a good cause!

Other Community Policing Activities

Schiller Park Police F.O.P. Lodge #170

On March 10, 2017, the Schiller Park Police Department, along with the (F.O.P.) Lodge #170, sponsored the meal hosted by Loaves and Fishes, a local charity that has been serving food to those in need for a number of years.

Pictured below are some of the fine men and women of the Schiller Park Police Department, along with some friends who helped make the night a success.

On August 4, 2017, the Schiller Park Fraternal Order of Police (F.O.P.) Lodge #170 conducted their annual golf outing at the Fox Run Golf Course in Elk Grove Village. The outing raised approximately \$25,000 which goes into a fund used to help various local and national charities. A special thank you to Detective Frank DeSimone for organizing this event which was our most successful fund raising activity to date!

Other Community Policing Activities

Schiller Park Police F.O.P. Lodge #170

In December, 2017, the Schiller Park Fraternal Order of Police (F.O.P.) Lodge #170 conducted their annual Santa visit to Schiller Park schools to hand out gifts to the children. The Police Department was aided by Schiller Park Firefighter Jerry Budnik and Community partner William Botti. A special appearance by Mayor Nick Caiafa added to this year's fun.

Investigations Division

The Schiller Park Police Department's Investigations Division consists of four detectives that are selected from sworn departmental personnel of the same rank. The objectives of their investigative efforts are to determine if a crime actually occurred, gather evidence of the crime, identify and arrest the person(s) responsible for criminal acts, recover stolen property, and aid in the prosecution of the arrestee. Detectives diligently investigate all cases they receive for follow-up. Their investigation must be thorough, careful, and objective. Detectives assigned to this unit focus on many offenses/activities that include the following:

- Death Investigations
- Violent Crimes
- Financial Crimes
- Property Crimes
- Missing Persons
- Auto Theft
- Narcotics/Vice
- Burglary
- Theft
- Hit and Run Traffic Crashes
- Crimes Against Persons
- Intelligence Gathering
- Crime Analysis
- Juvenile Investigations
- Child Exploitation Investigations
- Background Investigations

In 2017, the Investigations Division conducted many noteworthy investigations, many which resulted in arrests:

- In 2015, there was an Attempted Murder committed by two offenders. After a long and comprehensive investigation that continued well into 2017, both offenders were identified. One offender plead guilty and received a seven year jail term. The other offender died from an overdose before being formally charged.
- As a member of the West Suburban Major Crimes Task force (WESTAF), the Schiller Park Investigations Division took part in twenty-two area homicide investigations that occurred in surrounding suburbs.
- A Robbery was committed at a local hotel and a subsequent investigation resulted in the apprehension of the offender who received a sentence of five years in prison.
- Detectives made two felony Aggravated Battery arrests as well as one Battery arrest.
- One Homicide, eight deaths, and seven sexual assaults were investigated by Detectives.
- As a member of the U.S. Secret Service Electronic Crimes Task Force (ECTF), investigators have performed numerous computer and cellular phone analysis for investigations in Schiller Park, as well as neighboring towns.

Municipal Consolidated Dispatch (MCD)

In response to new State mandated regulations, the Village of Schiller Park consolidated their Police and Fire dispatch operations with the Norridge and Harwood Heights Police Departments on September 19, 2017. Now, all Police and Fire related calls for service go through the new state-of-the-art Municipal Consolidated Dispatch Center (MCD) in Harwood Heights. Pictured to the left is Ron Gross, the Executive Director for MCD.

All 911 emergency calls will automatically be routed to MCD. When someone calls the Schiller Park Police Department’s non-emergency number (847-678-4794), they will still be able to reach various individuals within the Police Department through an Auto Attendant Greeting Message.

Part-Time and Auxiliary Police

The Schiller Park Part-time and Auxiliary Officers are a much needed supplement to our full-time officers. Part-time officers are academy trained to assume many of the responsibilities of an active full-time police officer but they work under a part-time status. Auxiliary officers receive in-house training and are used for services including parking enforcement, park and school patrol, and traffic direction.

When the Schiller Park Police Department has to deal with heavier than normal call volumes or small scale naturally occurring emergencies like flooded streets or downed trees and power lines, we are still expected to provide excellent police services to the community.

During those times, the part-time and auxiliary officers help to stabilize the situation and maintain services to the community.

Administrative Support Services

Records Department

Our Records Department serves a vital role within the agency. The Records Department is the central repository for incident, arrest, traffic records, and crime data, after verifying such data is complete and accurate. In addition, the Records Department collects local ordinance fines and manages the vehicle immobilization and I-Drop programs. Records also aids in the department’s adjudication hearings and oversees inquiries and requests for copies of records and Freedom of Information Act (FOIA) requests. Records Administrator Patti Benesch (below/left) is supported by Part-Time Records Clerk Jill Gaffney (below/right).

Administrative Secretary

The Administrative Secretary wears many hats. Aside from general secretarial duties, the Administrative Secretary acts as the department’s payroll clerk, timekeeper, and is a department matron. In addition, this position maintains oversight of court transmittal/warrant files, aids the department with adjudication hearings, and prepares department end-of-month reports.

Administrative Secretary Terri Roth

School Liaison/D.A.R.E. Officer

In order to maintain a safe school environment and to facilitate drug awareness, the Schiller Park Police Department maintains a School Liaison/D.A.R.E. Officer position. This position is currently held by 16 year veteran Detective Roger Orozco (pictured left at his D.A.R.E. graduation). In this dual role, Detective Orozco has many responsibilities.

As the School Liaison Officer, he meets with school officials on a regular basis to discuss school safety and to maintain good communication between the schools and the police department.

Detective Orozco also regularly performs state mandated emergency drills, including “lock down” drills which help prepare the staff and students for critical incidents.

As the D.A.R.E. Officer, Detective Orozco meets with school children of all ages and discusses, not only how to resist drugs, but how to make good decisions and take responsibility for their actions. These lessons can help kids avoid drug use and other situations that might be risky for them.

School Crossing Guard Program

The Schiller Park Police Department oversees the School Crossing Guard Program in which new crossing guards are hired and trained. There are currently 10 crossing guards that are assigned to designated locations throughout the village. A School Crossing Guard position must be requested by the school district and approved by the Chief of Police.

The crossing guards are responsible for safely expediting the movement of children at intersections. They are very dedicated and perform their duties well, even during extreme weather conditions.

Evidence Technicians

The Schiller Park Police Department has eight certified Evidence Technicians who assist the investigating officer or detective in the identification, collection, and preservation of evidence. To increase efficiency when processing a crime scene, the department maintains an evidence technician vehicle that stocks all of the common items needed to process a crime scene.

Traffic Crash Reconstruction Specialists

Being located along major thoroughfares and next to busy O’Hare International Airport, the Schiller Park Police Department investigates numerous traffic crashes. Some of these crashes unfortunately result in fatalities which create a unique set of circumstances requiring specialized investigative

skills. The Schiller Park Police Department has two Traffic Crash Reconstruction Specialists that have received full training through Northwestern University Center for Public Safety.

The Traffic Crash Reconstruction Specialists provide the technical support and expertise in the collection of traffic crash scene information. A Reconstructionist is trained in examining and recording vehicle damage, examining road and weather conditions, preparing scaled diagrams, taking detailed photographs of the crash scene, the preservation and collection of evidence, and preparing formal reports to support criminal charges arising from the accident.

Citizen Assisted Radar Enforcement (C.A.R.E.)

One of the most frequent requests or complaints made to the Schiller Park Police Department is for speed enforcement and to address speeding autos. The Schiller Park Police Department’s Citizen Assisted Radar Enforcement (C.A.R.E.) program is designed to reduce speeds on residential streets and increase citizen awareness regarding traffic safety and speeding.

Citizens are encouraged to participate in this program which gives them the opportunity to monitor speeds on their assigned streets. Any speed violation can be reported to the police department and a letter may be sent to the registered owner of the violating vehicle.

NIPAS and ILEAS

The Schiller Park Police Department has been a member of the Illinois Law Enforcement Alarm System (ILEAS) for many years. ILEAS is a statewide law enforcement mutual aid system. The purpose of the Alarm System is:

- To provide immediate extra law enforcement manpower and equipment at the scene of law enforcement emergencies;
- To provide for an automatic and systematic response of law enforcement manpower teams.
- To provide for contractual responsibilities and liabilities;
- To provide broad area coverage;
- To foster a cooperative spirit for law enforcement emergency planning;
- To provide access to specialized manpower and equipment which no one department could afford to maintain.

The cost of membership is minimal and all training and equipment for members is provided by ILEAS through state and federal grant funding.

The Northern Illinois Police Alarm System (NIPAS) represents a joint venture of suburban municipal police departments in the Chicago metropolitan area. Fifteen police agencies created NIPAS in 1983 to ensure effective police mutual aid in times of natural disasters. From these humble beginnings, the system has grown to include law enforcement agencies of 105 cities, villages, and towns in five counties.

The Schiller Park Police Department is a member of NIPAS’s Emergency Services Team (EST) and Mobile Field Force (MFF). Member agencies can deploy the EST for hostage/barricade incidents, high-risk warrant service, major crime scene searches, search and rescue missions, dignitary protection, and similar tactical incidents. The MFF provides its member agencies with a planned, organized, and rapid response to: control unruly crowds (either hostile or passive); seal off problem areas, regardless of size; rescue citizens or officers from crowds; clear an area of hostile individuals by use of proactive tactics; and apprehend multiple offenders, if required.

Sergeants Mark DiCosola and James Scheib are currently assigned to respond to NIPAS and ILEAS callouts. In 2016, a Bike Response Team (BRT) was added to the MFF division and Officer Nick Brzezinski was assigned to that unit.

WESTAF

The Schiller Park Police Department is a member of the West Suburban Major Crime Task Force (WESTAF), which was formed to provide mutual investigative aid among several area police departments. Formed in 2001, WESTAF consists of 21 area police agencies and has been a great advancement in combating crime.

Membership in WESTAF provides several benefits including the ability to obtain and share police services and combine resources in order to effectively investigate major violent crimes or serial crimes. Whether an investigation calls for more manpower or specialized equipment, WESTAF will help meet those needs.

DEA Task Force

DEA

The Organized Crime Drug Enforcement Task Forces (OCDETF) is a Federal Drug Enforcement Agency (DEA) Program that was designed to work in close partnership with State and Local Law Enforcement Agencies in the investigation and prosecution of major drug trafficking organizations.

The Schiller Park Police Department joined the DEA in its fight against drug trafficking by sending one of our very own to work as a task force member.

The Schiller Park Police Department sees many benefits in maintaining an officer who is a task force member. First, our efforts help in the fight against the nation’s growing drug problem. Second, our participating officer can gain investigative knowledge that can be shared with other department members. Lastly, the Schiller Park Police Department gets to keep a percentage of the money and vehicle seizures made which can be used for local law enforcement efforts.

Department Training

The Training Unit is responsible for comprehensive training for all department personnel, as determined by input from the command staff, an annual training needs assessment through the Chief of Police, and regulated by the Illinois Training and Standards Board through the Police Training Act. The Schiller Park Police Department recognizes that training is essential to complete our core mission and public service continues to be a top priority of the department. Commander Ed Ladonsky and Sergeant James Scheib oversee this unit.

The Schiller Park Police Department has many talented officers who are certified to teach various specialties. They help the department train other officers in our in-house training program. For other required training, the Schiller Park Police Department sends officers to a variety of certified institutions, including the North East Multi-Regional Training (NEMRT) center, Northwestern University’s Center for Public Safety, and the Cook County Sheriff’s Police Academy.

Listed below is a synopsis of department training that took place in 2017:

<u>Training Type</u>	<u>Hours</u>
• Overall training hours for the year (Full-Time Officers):	3957.75
• In-house training:	649.25
• Outside Training:	742.5
• Cook County Sheriff’s Police Training Academy:	1160
• Suburban Law Enforcement Training Academy	480
• Firearms Training:	280
• NIPAS Mobile Field Force (MFF) training:	112
• NIPAS Emergency Service Team (EST) training:	270
• West Suburban Major Crime Task Force (WESTAF):	120
• Pension Board training:	144
• Overall training for Part-Time/Auxiliary Officers:	207

Department Training

In-House Training

The Schiller Park Police Department is committed to ongoing and professional training in the use of firearms and dealing with volatile situations. The purpose of the training is to ensure that officers are able to use their firearms safely and competently when needed. It also conditions officers to respond appropriately to various circumstances. Sgt. Steve Lee, Sgt. James Scheib, and Sgt. Mark DiCosola are our primary trainers in our in-house training program. Below are pictures from training sessions conducted in November, 2017.

Statistical Information

Police 2017-2018 Budget Allocation

■ Personnel	\$6,544,140
■ Capital	\$202,300
■ Contractual	\$160,300
■ Commodities	\$155,500
Total	\$7,062,240

Statistical Information

Uniform Crime Reporting

Police agencies are required to report their annual crime data to the Federal Bureau of Investigation (FBI). The FBI requires us to report eight Part I Offenses as a measure of crime trends. They include: Murder, Criminal Sexual Assault, Robbery, Aggravated Assault/Battery, Burglary, Theft, Motor Vehicle Theft, and Arson.

	2014	2015	2016	2017
Murder	0	1	0	1
Criminal Sexual Assault	1	2	8	7
Robbery	2	5	7	4
Aggravated Assault/Battery	5	6	4	13
Burglary	72	33	39	23
Theft	172	161	177	126
Motor Vehicle Theft	18	11	25	20
Arson	0	1	0	0
Total	270	220	260	194

Statistical Information

The number of traffic crashes can be attributed to many factors including weather conditions and road construction.

Statistical Information

Investigative Cases and Follow-Ups

Total Criminal Arrests

Statistical Information

DUI Enforcement

The Schiller Park Police Department fully supports a comprehensive approach to DUI enforcement, which includes education to the public to elicit support in detecting impaired drivers. The patrol division has established strict impaired driver enforcement as one of its primary objectives. Uniformed patrol officers are alert for signs of alcohol and/or drug impairment in contacts with motorists. They make every effort to both detect and apprehend impaired motorists.

The number of DUI arrests can be attributed to many factors including the number of personnel assigned and changes to the law.

Statistical Information

The number of citations issued by officers can fluctuate depending on shift assignments, call load, and the number of personnel assigned to parking and traffic enforcement.

Statistical Information

The Village of Schiller Park instituted a photo enforcement program in 2008 in order to deter red light violations, thus, making the streets safer. Three Schiller Park intersections are currently equipped with cameras to improve safety and reduce traffic crashes resulting from red light violations. In 2017, 10,530 Motorists were issued photo enforcement violations.

Traffic Stop Data Sheets

All Police Officers in Illinois are required by law to record demographic data for every driver of a motor vehicle stopped for traffic-related offenses. Once collected, the data is forwarded to the Illinois Department of Transportation for analysis and reporting. Presented below is the traffic stop data for the Schiller Park Police Department for the year 2017. The data below reflects the diversity of drivers on Schiller Park roadways.

Ethnic Breakdown	Traffic Stops	Percent
Caucasian	2,648	62%
African/American	553	13%
Native American/ Alaskan	3	0
Hispanic	810	19%
Asian/Pacific Islander	281	6%
Totals	4,295	100%

Professional Standards

The Schiller Park Police Department is committed to delivering the best possible customer service to the residents and visitors of our community. We value feedback, good or bad, about the services we provide to our community. It is the policy of the Schiller Park Police Department to receive and investigate all complaints made against Police Department personnel. It is the duty of the Police Department to protect the public from improper conduct of officers as well as protect police officers from false, inaccurate, misinformed, or malicious accusations of misconduct.

Minor civilian complaints may not involve accusations of misconduct, but rather speak to differences in opinion, disagreements with the officer's enforcement discretion, or to challenge laws and probable cause for example. In those situations, it is our goal to have a supervisor resolve any discontent by perhaps explaining the law or stating the department's position on the matter. Anyone wishing to file a formal complaint is asked to support it with a sworn affidavit which will be forwarded through the chain of command.

In 2017, the Schiller Park Police Department is proud to say that it received one formal complaint of misconduct against a department member. Upon a thorough investigation, that allegation turned out to be unfounded.

I-DROP

In 2015, the Schiller Park Police Department entered into an agreement with the State of Illinois (I-Drop Program) to recover past due unpaid fines from parking citations, red light camera violations, and local ordinance citations through the garnishment of Illinois Income Tax returns.

The Schiller Park Police Department began collecting unpaid fines in March of 2015. In 2017, \$114,404.00 in fines were collected. As the graph shows, most fines are collected in the months just prior to or after the tax filing deadline in April.
