Fitness Memberships Offered to Returning Military Veterans

Mayor Nick Caiafa and the Village Board have approved a program to be offered through the Recreation Department to provide a complimentary 1 year fitness pass for military veterans returning to the community from active duty. A similar program is offered through our Special Recreation Association - NEDSRA, and was modified to meet the needs of our residents of Schiller Park. In a show of gratitude for veterans service, the Village is offering this free membership to the fitness center and basketball courts located at the Recreation Center.

To qualify, they must be a resident of Schiller Park and be returning from active duty in the military. Veterans may present their discharge paperwork and proof of residency at the Recreation Center between 9 AM and 5 PM Monday thru Friday. Screenagers

Are you watching kids scroll through life, with their rapid-fire thumbs and six second attention span? Physician and filmmaker Delaney Ruston saw that with her own kids and learned that the average kid spends 6.5 hours a day looking at screens. She wondered about the impact of all this time and about the friction occurring in homes and schools around negotiating screen time – friction she knew all too well.

In SCREENAGERS, Delaney takes a deeply personal approach as she probes into the vulnerable corners of family life, including her own, to explore struggles over social media, video games, academics and internet addiction. Through poignant, and unexpectedly funny stories, along with surprising insights from authors, psychologists, and brain scientists, SCREENAGERS reveals how tech time impacts kids' development and offers solutions on how adults can empower kids to best navigate the digital world and find balance. Parents are strongly encouraged to attend this event.
