

WATER DEPARTMENT

ACTION REQUIRED!!!

Per State law, the Village of Schiller Park needs your help in identifying what type of water service line is being used to provide your home with water as part of the Lead Water Service Line Replacement Program.

This survey is easy to complete and can be done online. Just scan the QR code!

You can also visit www.villageofschillerpark.com and from the home page click on "Water Service Line Replacement Survey."

If you need assistance identifying your water service material, please contact the Village Hall at (847) 678-2550 to schedule an appointment.
