The Grand Corridor Chamber of Commerce Joins Forces with the Chamber by O’Hare to Form the “Grand Chamber by O’Hare”.

Elmwood Park/Franklin Park/Leyden Township/Mont Clare/River Grove/Schiller Park - The Grand Corridor Chamber of Commerce is pleased to announce that our Chamber of Commerce is embarking on new and exciting opportunities to promote local business throughout the community. In order to help bolster an already burgeoning business corridor, the Chamber has decided to merge with the Chamber by O’Hare and expand our coverage. Effective January 1, 2023, what was referred to as the “Grand Corridor Chamber of Commerce” will now be “The Grand Chamber by O’Hare”. With an expanded coverage area, Chamber members will now have the ability to utilize the resources and benefits that being a Chamber member offers to reach a larger audience than ever before.

The Grand Chamber by O’Hare serves the community by promoting, protecting, encouraging, and developing local business. The Chamber is dedicated to fostering cooperation and goodwill between businesses, civic organizations, and the residents in our well-established communities.

Please visit our website in the upcoming weeks, www.grandchamber.org, for updates as they become available.
