Tree Selections (Max one tree per property):

Species of Tree Desired: _____

Backup Tree species: _____

Proposed Parkway Tree Planting Location (Please be Specific, must be in public parkway):

**** Specifications ****

Tree Locations & Species are Subject to Village Approval - Factors include:

- Presence of Underground Pipes
- Presence of Overhead Wires
- Width/Length of the Parkway
- Nearby Existing Trees (50 ft. between trees is best)
- Nearby Signs
- Size of Requested Trees (Height / Spread)

Resident Agrees to Fill the Gator Bag on the Newly Planted Tree 3x Per Week after the 1st 30 days

Resident Agrees to Let the Village Trim the Tree

Trees are available free of charge as long as grant funds are available and are first come – first serve

Trees species listed above might not be in stock, and available trees are dependent on nurseries ordered from.
